

## Our class is using Matific!

Hi parents,

This year, I'm using Matific, a leading maths learning platform that develops conceptual understanding and critical thinking.

I'd like all parents to join me and sign up for Matific Parent Account.

Matific Parent Account is the easiest way for you to see how your child is progressing in maths.

- ✔ **Identify learning strengths and needs**  
Detailed reports to show where your child is excelling and if they need help in certain skills.
- ✔ **Close your child's learning gaps**  
Access the Training Zone to practice skills they need help mastering
- ✔ **Monitor progress and celebrate achievements**  
Track how your child is performing via the Parent Dashboard or regular email updates.

I'll need your mobile number and email address to invite you to Matific. Our class goal is for every family to fill out and return the slip below by tomorrow!

Thank you so much!
